

Wattif EV is an end-to-end provider and a full service offering for EV charging

Destination Charging - the route to net zero

Investment = 0

Wattif EV can fund all or part of the investment cost of the project. Your call!

Worries = 0

Wattif EV covers the whole value chain. We provide funding, operations and maintenance - without requiring a single penny.

We share the revenue

Regardless of which model you choose, you always get a share of the revenue!

OUR FUNDING SOLUTIONS

TURNKEY SOLUTION

Wattif EV takes on all responsibility for the EV charging point installation, maintenance and funding.

Wattif will manage and own the charging asset, enabling long-term customer relationships and continuous revenue streams.

Here, there is no Capex required and no worries for you. One stop shop - Wattif Ev is turnkey supplier.

All operating costs are included.

CHARGING AS A SERVICE

A fixed cost solution whereby you can choose the level of investment and fix a monthly fee for the on-going operations and maintenance.

This package is perfect for anyone who wants to provide EV charging as a benefit and who is not seeking to generate or share a revenue.

All operating costs are included.

WHY WATTIF

TURNKEY SOLUTION

Wattif EV offers a turnkey solution for EV charging. We cover the entire value chain - from development and installation, to operation, billing and customer service.

FINANCIAL FLEXIBILITY

We can fund all or part of the investment cost of the project. You decide which solution works best for you.

NET REVENUE SHARING

Even if you don't invest a single penny, we still share the net revenue. In short; no investment, no worries, and we share the revenue.

NO ADMINISTRATION

We are responsible for ensuring that the chargers always work as they should, so you can focus on your core business.

OUTDATED CHARGERS?

We are happy to replace old chargers with new ones - at no cost to you.

BE PART OF THE SOLUTION

Our goal is to roll out as many destination chargers as possible and actively contribute to net zero. We can only achieve that goal together with you as our customer.
